SHE IS DEPTH IN A SURFACE WORLD

THE CAMERA CAUGHT
THE MOMENT SHE TURNED INWARD.
NOT POSING.
NOT PERFORMING.
JUST EXISTING
IN HER OWN DEPTH.

FIREFRAME

A close-up photograph of a woman's face, partially hidden behind a white, shimmering fabric. Her eyes are looking directly at the camera with a subtle, enigmatic expression. The lighting is warm and focused on her face, creating a dramatic and intimate atmosphere. The fabric she is holding has a delicate, sparkling texture.
